VicoHome Outdoor 3Mpx Wifi battery operated

PIR / Remote Motion Sensor

Lithium battery 9000 mAh / Solar panel 5W

Lens 3.2mm 128° / FullColor MagicPix

Audio / Message and deterrent light /

SD slot

VicoHome and Cloud / Alexa Apps

VicoHome

Outdoor PT WiFi camera

1/2.8" Starlight MagicPix CMOS Sensor

3Mpx (2304 x 1296)

Vertical and horizontal movement controlled remotely

3.2 mm Lens

IR Range 10m

Night vision with artificial intelligence

LED white light on detection

Compression H.264/H.265

Microphone and Speaker

Siren or prerecorded audio on detection

SD card recording

Real PIR detector

Lithium battery 9000 mAh

Includes solar panel, 5 W

Intelligent detection of people, vehicles, pets, area of interest and cloud packages (subscription based)

Smartphone App (VicoHome)

Weatherproof IP65

Specifications

Brand	VicoHome
Model	CQ1
Image sensor	1/2.8" Starlight MagicPix CMOS
Maximum resolution	3Mpx (2304 x 1296)
Compression	H.264/H.265
Lens	3.2mm (F2.2)
Remote movement	Remote motorized movement Horizontal range: 355° / Vertical range: 90°
Minimum illumination	0.01 Lux
Infrared lighting	(10m) IR range MagicPix artificial intelligence nighttime enhancement
White light illumination	Intelligent white LED: Deterrence(flash) / Courtesy(fixed) by detection FullColor color night vision MagicPix artificial intelligence nighttime enhancement
Network interface	Wi-Fi 2.4 GHz
Internal memory	MicroSD Card, Max 128 GB (not included)
Audio	Two-way audio, built-in microphone and speakerphone Siren and recorded audio message for deterrence
Cloud Service	Free service: notifications for motion detection with cloud recording (overwrites when it reaches 3 days or 0.5GB)). Subscription service: includes intelligent detection of people, pets, and area of interest. Different plans according to duration and storage (1 free trial month after subscription).
Remote access	VicoHome Smartphone App
PIR sensor	Real PIR sensor, detection activates video from camera
Battery	Rechargeable and non-removable Li-ion of DC5V / 9000 mAh Estimated duration 8 months (10 seconds of video per day without remote motion) Operation without recharging with the 5 W solar panel included
Power	Micro USB charger DC5V/1.5A (not included)
Use	Indoor and outdoor camera/ impermeable IP65
Temp. operation	-10° C ~ +45° C
Dimensions	120mm*101mm*158mm (no support)
